

Er. Yagnik C. Yoganandi

Qualification : M. Tech.(Agril. Engg.)FMPE, B. Tech. (Agril. Engg.)
Designation : Senior Research Assistant

Experience : 6 Years

Specialized Subject : Farm Machinery and Power Engineering

Personal Details :

E-Mail:	yagnik.y1@aau.in
Birth Date:	11-05-1990
Qualification:	<div>2020 Pursuing In-service Ph.D.(Agril. Engg.)</div> <div>2011 - Master of Technology (Agril. Engg.)FMPE</div> <div>2014 Junagadh Agricultural University, Gujarat, India</div> <div>2007 - Bachelor of Technology (Agril. Engg)</div> <div>2011 Junagadh Agricultural University, Gujarat, India</div>
Experience	Senior Research Assistant (25-Mar-2015 To Till Date) (Working Experience of Research, Education and Extension) Anand Agricultural University, Anand, Gujarat
Development & Research Activities	<div>Research Paper Entitle “Simulation of components of mould board plough bottom using computer software” (Published)</div> <div>Got “National Fellowship for Students of Other Backward Classes (OBC) to pursue Ph.D. Degree “ in Engineering and Technology</div> <div>M. Tech. Project thesis has been published in “LAMBERT Academic Publishing”.</div> <div>Research Paper Entitle “Design optimization of rotary tillage tool components proportionate to tractor power using computer software” (Published)</div>

	<p>Research Paper Entitle “Modification of Three Point Linkage System of Medium Tractor Drawn Sowing Machine to Operate by Mini Tractor”(Published)</p> <p>Research Paper Entitle “Development of a Mini Tractor Drawn Semiautomatic Two Row Planter Cum Fertilizer Applicator”(Published)</p> <p>Research Paper Entitle “Development and evaluation of a multipurpose to bar for mini tractor suitable for the cropping pattern of middle Gujarat region”(Published)</p>
Publications:	<p>International Publications : 05</p> <p>Seminar (Attended) 02</p>
Memberships:	<p>Life Member, Indian Society of Agricultural Engineers (ISAE)</p> <p>Life Member, CAET Alumni Association, Junagadh</p> <p>Life Member, Agricultural Engineering Alumni Association, Godhra</p>
