Agricultural Engineering Alumni Association Godhra, established in the year 2017, with growing network and bond with the alumni of college of Agricultural Engineering and Technology, Godhra organized its second Alumni Convention on 17th October 2022. It is a well-known fact that there exists a close relationship between overall development of a college, university and alumni. One supports the other. The main purpose of this second convention is to exchange views on the appropriate forms which could help association, college and university grow strong.

Different programs were scheduled in such a way that, the convention aids the technical knowledge dissemination, welfare to currently enrolled students and also to imbibe sensibility in students through book donation drives and other healthy discussions towards charity and societal responsibility.
