

“AWARENESS PROGRAM ON SHARED LAB FACILITY” Organized at B. A. College of Agriculture, AAU, Anand

A program was organized on “Awareness of shared lab facility” available with Gujarat Biotechnology Research Centre (GBRC), Department of Science & Technology, GoG, Gandhinagar by B.A. College of Agriculture in collaboration with Department of Agricultural Biotechnology, AAU, Anand on 22nd December, 2023 at Examination Hall, BACA, AAU, Anand. The purpose of the program was to create the awareness about the different instrumentation facilities for the analysis of biological samples on high-end sophisticated instruments in the areas of genomics, metabolomics, proteomics etc on nominal charge basis. The program was attended by circa 110 PG students and faculty members of different departments. On the onset of the program, Dr. Sushil Kumar welcome the scientists Dr. Haidar Abbas and Dr. Fenil Patel from GBRC as well other faculty members and PG students of AAU, Anand. Dr. D. A. Patel briefed the importance of the shared lab facility in the research and encouraged the faculty and staff to use available this facility. Dr. Haider Abbas, Scientist, GBRC informed about the knowledge of instrumentation under shared lab facility and procedure to book the instruments through GBRC web portal. During the interaction session, the queries raised by PG students and faculty members were also dialoged by GBRC staff. A vote of thanks was by Dr. G. B. Patil.
