

“Awareness talk-cum-seminar on Bio-Enterprises” organized at College of Agriculture, Jabugam

One day “Awareness talk-cum-seminar on Bio-Enterprises” – a flagship programme under Biotechnopreneur™ was jointly organized by Gujarat State Biotechnology Mission (GSBTM), Govt. of Gujarat and College of Agriculture, Anand Agricultural University, Jabugam on 17th September 2016. All the students of 7th and 5th semester as well as staff members (making a total of 62) participated in the seminar.

The programme was started with prayer by the students and lightening of lamp by the Principal and experts from GSBTM. The Principal Dr. Sunil Patel welcomed the guests, made opening remarks and highlighted the importance of organizing such seminar to inculcate the spirit of entrepreneurship among the students so that they may not blindly become the job seekers but be job creators. The three invitee experts Dr. R. V. Vyas from AAU, Anand and Mr. Javed Shekh and Ms. Ritu Trivedi from GSBTM deliberated on Bio-Enterprises over view and opportunities. They also discussed in detail the approaches and strategies for enhancement of the field of biotechnology in Gujarat. They also explained about government policies and incentives for entrepreneurs like the policies of funding from state and central government. The event ended with presenting mementos to the invitee speakers and vote of thanks by Dr. Bhushan Aher.
