Celebration of “Hindi Divas” under  
Hindi Pakhwada & Engineer’s day

## **Celebration of Hindi Divas :**

As the name suggests, Hindi Divas is celebrated on 14<sup>th</sup> Sept. every year to celebrate the language and to commemorate the event when it was adopted as one of the official languages of India. The Constituent Assembly of India had, in 1949, recognised and adopted Hindi — an Indo-Aryan language written in the Devanagari script — as the official language of the newly-formed nation.

Indian people belong to many religions, cultures and traditions. The Hindi language is the most widely spoken language in India. According to reports 420 million people spoke Hindi in the year 2001 in India. Also, the number must have increased manifold by now. The language serves as unity in diversity. It is believed that the Hindi language binds Indian together. The Hindi language is a symbol of unification. Everyone should know that Hindi is not just a national language. There are almost 22 recognized official languages in India. However, to promote unity in people and for better communication, Hindi Divas is observed. Hindi Divas is observed in many Hindi speaking states of India.

## **Celebration of Engineers’ Day:**

**“Scientists investigate that which already is; Engineers create that which has never been.”**

**- Albert Einstein**

Engineers are shaping the future by applying their skills to almost everything. They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation’s technological and industrial growth. There really is no limit to what engineers can do. Engineers’ Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India and Bharatratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

The SRC & NSS Unit of Polytechnic in Agricultural Engineering, AAU, Dahod celebrated Engineer’s Day and Hindi Divas on 15<sup>th</sup> September 2023 in honor of Dr. M Visvesvarayya, a true gem of India and to identify the great works done by our hard working engineers each year. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students.

At the beginning Prof S.S.Chinchorkar, Assistant Professor, PAE,AAU, Dahod warmly welcomed all the dignitaries, students and faculty and briefed out about Engineers' day and Hindi diwas. Dr.B.K.Yaduvanshi, (I/c) Principal, PAE,AAU,Dahod addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands and encouraged the students to broaden their perspective and enhance their skills to be successful and emphasized the students to stay tuned with their national language in connection with the needs of 21<sup>st</sup> century and motivated to the students with the way they use their national language, and also for not forgetting their roots. Language and culture of any country plays an important role in making people-to connect with the people & helps in making a strong nation. The students, faculty and NSS Volunteers were participated in this programme. More than 60 students, faculty participated in this event. On this occasion some students of each semester shared their opinion in form of speeches about the engineering day and Hindi diwas.

A Competition was organized and the winners were appreciated and certificate distribution was done on 15/09/2023. The programme was judged by Dr.Zeal Acharya and Prof.S.S.Chinchorkar and Dr.B.K.Yaduvanshi.

The winners of the programme (Hindi Diwas ) are as follows:

First: Mr. khair Karansingh (1<sup>st</sup> sem)

Second: Miss Bariya Shital (1<sup>st</sup> sem) &

Third: Mr. Patel Anujkumar (1<sup>st</sup> sem)

The winners of the programme (Engineers' Day) are as follows:

First: Miss Patel Nidhiben R.(5<sup>th</sup> Sem)

Second: Miss Bhoi Maitri V (3<sup>rd</sup> Sem)

Third: Miss Patel Riyaben S.(3<sup>rd</sup> sem)

The Vote of Thanks was delivered by Mr. Sachin S. Chinchorkar, NSS Programme Officer extended to the Teaching and NSS volunteers remained presence this occasion and prepared the guideline for the successful completion.

REDMI NOTE 10 | @PRATHAMPATEL#

संस्कार से सजी-धजी है, सिर पर न्यारी बिंदी है,  
इससे प्यारी नहीं है भाषा, सबसे प्यारी हिंदी है.

To the optimist, the glass is half full. To the pessimist, the glass is half empty. To the engineer, the glass is twice as big as it needs to be.
