Celebration of Annual Day - Sprout 24 at
College of Food Processing Technology & Bio Energy, AAU, Anand

The 15th annual day celebration of the College of Food Processing Technology, Anand Agricultural University, Anand, Gujarat, named Sprout 2024, was held on May 21, 2024, and was a resounding success, attended by college students, faculty members, and university dignitaries. The event commenced at 5:00 pm with a prayer and lamp lighting ceremony, after which the Dean, Dr. Samit Dutta, delivered the welcome address. He warmly greeted the attendees and highlighted the college's accomplishments over the past year. The program continued with a floral welcome and the presentation of the college's annual progress report was presented by the General Secretary, Ms. Riya Chaudhari. The report showcased the academic and extracurricular activities of the students carried out throughout the year. Additionally, the College of Food Processing Technology released its College Magazine - Food Technica, for the academic year 2023-24 at the event. The gathering was graced with the presence of Dr. M.K. Jhala, Director of Research and Dean P.G. Studies, AAU, Anand and Chief Guest of the function, who explained the role of food and food technologist in the current need of time and also appreciated the college's efforts in promoting education and research in food processing technology. A prize distribution ceremony followed, where the dignitaries awarded the students for their academic and extracurricular accomplishments.

Dr. K. B. Kathiria, the President and Hon'ble Vice Chancellor of Anand Agricultural University, Anand, addressed the gathering and commended the College of Food Processing Technology for its unwavering dedication to providing quality education to its students. He lauded the college's efforts in promoting academic and extracurricular activities that have helped students to develop not only their technical skills but also their overall personality. The event ended with a vote of thanks by the Chairman of the Student Representative Council (SRC), Dr. Rashmin Dhingani, followed by the national anthem. After a tea break, the cultural program began, featuring the students' talents in various art forms like dance, music, and drama. The event concluded with a dinner served to all the attendees. The annual day celebration at the College of Food Processing Technology was a grand success, and it provided an excellent platform for the students to showcase their talents and achievements. The event was a perfect blend of academic and cultural activities, and it was appreciated by all the attendees.
