

## CELEBRATION OF ENGINEER'S DAY

Jointly Organized by  
SRC & NSS Unit, PAE, AAU, Dahod  
and  
Krishi Vigyan Kendra, AAU, Dahod

**“Scientists investigate that which already is; Engineers create that which has never been.”**

**- Albert Einstein**

Engineers are shaping the future by applying their skills to almost everything. They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation's technological and industrial growth. There really is no limit to what engineers can do.

Engineers' Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

The SRC & NSS Unit of Polytechnic in Agricultural Engineering, AAU, Dahod celebrated Engineer's Day in collaboration with Krishi Vigyan Kendra, AAU, Dahod on 15<sup>th</sup> September 2022 in honor of Dr. M Visvesvarayya, a true gem of India and to identify the great works done by our hard working engineers each year.

The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students.

At the beginning Dr. Farid Sayyad, Assistant Professor, PAE, AAU, Dahod warmly welcomed to all the dignitaries, students and faculty and briefed out about Engineers' day. Dr. M. M. Trivedi, Principal, PAE, AAU, Dahod addressed the students and advised them to take Dr. M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands and encouraged the students to broaden their perspective and enhance their skills to be successful.

Dr.H.L.Kaccha, Unit Head, KVK,Dahod urged the students to aim to be great engineers with technical skills as well as personal qualities and added that career planning is an ongoing process during engineering and students need to be strong technically. Dr.R Radhrani, Scientist, KVK,AAU,Dahod encouraged the students to broaden their perspective and enhance their skills to be successful. More than 50 students, faculty participated in this event. On this occasion some students shared their opinion of in form of speeches about the theme engineering for change and about Dr.Mokshagumdam Vishweshvaraya.

The Programme was organized with the support and guidance from Dr.M.M.Trivedi, Principal, PAE, AAU, Dahod.

**To the optimist, the glass is half full. To the pessimist, the glass is half empty. To the engineer, the glass is twice as big as it needs to be.**
