**Celebration of World Environment Day**

‘World Environment Day’ is celebrated every year on June 5 globally. The objective of this program is to spread awareness about environmental issues like climate change, pollution, deforestation and loss of biodiversity.

College of Agriculture, AAU, Jabugam celebrated World Environment Day on 5<sup>th</sup> June, 2024. Dr. R. D. Shinde, NSS Programme Officer, College of Agriculture, AAU, Jabugam discussed that World Environment Day is the perfect opportunity to make people aware of the current issues we are facing like uncertainty of rainfall, global warming, *etc.* and how one can contribute to saving it. On this day, college also organized a tree plantation programme. Students and staff members of college actively participated in this programme and planted saplings of different tree species at college campus.
