Sub: 2G & 3G MOBILE INTERNET PLAN + 3G E-CONNECT PLANS:-

Dear Sir,

As per our ongoing discussion, Please find the attached annexure which has details of **Vodafone 2G & 3G MI – Mobile internet packs** offered to Anand Agricultural University which can be availed additional to basic CUG plan of Rs. 26.1. MI Pack of Rs. 149@2 GB throttling is an exclusive pack offered to A.A.U.

Over and above, There are 3G E_connect plans offered which employees can avail which contains dual benefit of **Voice + 3G Data Bundled** in it basis employee requirement. For taking this plan, User has to execute Plan change in respective plan if already active. If its new connection, we can directly activate in any of the asked plan.

Activation MI Packs or E-Connect plans can be executed only basis request from authorized signatory with list of mobile numbers.

Request to please incorporate these MI Packs & E_Connect plans for your employees and ask to enroll basis requirement.

Do suggest for any clarity required on same if any.

Thanking in advance!!.

Thanks and Regards,
