In response to election declared in Gujarat State, it is necessary to follow the "***Election Code of Conduct***". In this respect scientists requesting for permission to attend conference/symposia/seminar/workshop etc. should be thoroughly and critically evaluated by Head of Department and Unit Head. The application will have to be forwarded to this office with clear-cut remarks "***concerned staff is not having any duty in relation to election***" and if the staff is having duty application need not be forwarded for permission.

This is to be observed and implemented immediately.

Note: *Those who have been already permitted, if they get any duty in relation to election, necessary action is to be taken at Unit/Sub-unit level.*
