February 11, 2013

Dear Prof. Dr. Sanjay Chordiya & Mrs. Snehal Chordia,

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes,

Yours sincerely,

Mohan Dharia

About Suryadatta

The Suryadatta National Awards and the Life Time Achievement awards 2016 seek to recognize the valuable contribution of those eminent personalities who are iconic role models known nationally and internationally for their zeal and enthusiasm for excellence and enrichment of society through their relentless efforts.

Excellence is the hallmark of the Suryadatta Group, throughout its journey over more than a decade and it has found a befitting culmination in these Awards which were initiated in the year 2003.

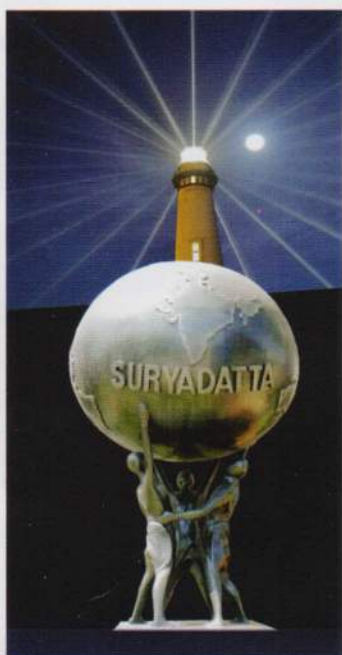

These awards honor personalities from all spheres of life whose noteworthy contributions towards augmenting their chosen vocation has made a vast difference to society, transforming several lives touched by them.

Suryadatta National Awards 2015 is a witness to this where the contribution of personalities were recognized. The felicitation of these personalities becomes an inspiration for all the students. Even if 20% of the students in India simulate values of such stalwarts it will go a long way in bringing about a drastic change for the betterment of the society

The institute received several nominations for 2014-15 and I would like to thank every entrant for the same. Out of these nominations, the jury shortlisted a few, the criteria for which are given later in this docket. The sheer number of nominations proves the popularity of these coveted awards. I wish to humbly recognize each entrant for their nominations.

Every year, these awards are conferred upon the distinguished dignitaries on the 7th of February to coincide with the Foundation Day celebrations of the Suryadatta Education Foundation.
