**CIRCULAR**

Honble Minister of Agriculture, Govt. of Gujarat has called a meeting at Gandhinagar to discuss the District wise sowing area under different crops and action plan to meet the requirement of seed. In context to this SAUs of Gujarat has to compile the availability of certified, foundation and breeder seed. Therefore, all the concerned crop scientists and incharge of farm are informed to send the detail about availability of seed in following format. Send the information through email to this office to reach on or before 30/07/2015.
