**Read** Minutes of the meeting of committee for deciding rate, terms and condition for use of GS-FLX and Ion Torrent PGM systems approved by Hon'ble Vice Chancellor, AAU, Anand vide Note No. AAU/DR/T-3, 399/2013, dated:03.06.2013

**O F F I C E O R D E R**

Rates and terms and conditions for use of GSFLX system and Ion Torrent PGM System will be as follow:

**Rates for GSFLX system using Titanium chemistry:**

Sr.No.	Item	Cost
1	Cost of kit	USD 9700/-
2	Accessory Consumable cost for Whole Genome Sequence	Rs. 50,000/-
3	Overhead charges 10% of the total (i.e. equivalent to USD 9700 +Rs.50,000) (Overhead includes: providing technical support, manpower, electricity and maintenance)	

**Rates for Ion Torrent PGM system using different chemistry:**

	Shotgun Sequencing		Transcriptome Sequencing	
	200 bp	300 bp	200 bp	300 bp
314 Chip	730 USD	830 USD	780 USD	880 USD
316 Chip	840 USD	940 USD	890 USD	990 USD
318 Chip	1050 USD	1150 USD	1110 USD	1200 USD

Note: USD will be converted to Rupees as per RBI rate on the date of transfer.

Rs. 4000/- extra will be charged for E-Gel Size Select, HS Bio-analyzer chips and other consumable items.

**Others terms and conditions are as below;**

- 100% charges shall be deposited along with the sample.
- The university will prepare the sample and analyze with the use of GSFLX/lon Torrent PGM and output data will be provided to the party.
- During the process, which will be about 4-5 days, the representative of the party will have to remain present at laboratory at their own cost.
- At any stage of process, if reaction fails, university will not be responsible for what so ever reason and no refund claim shall be entertained. However, the process shall take place in presence of representative of the party who will witness, supervise and monitor the process.
- The party interested in getting their sample analyzed shall bring the sample to the laboratory at their own cost.
- The party shall abide by above terms and conditions before the offer / assignment is accepted by the university.
- The facility extended shall be considered as project and the funds transferred shall be considered as financial grants for the project.
- In case of collaborative projects overhead charges will be waived. This should be mentioned in grant release letter.
- Funds/grants shall be transferred to following bank account. The same shall be deposited in AAU revolving funds Budget Head 9510-51A.
- Overhead charges (10% of total cost) will be waived off in case of collaboration project.
