Sub: Regarding pre-AGRESO-Crop Improvement Sub-committee

Ref. No. : AAU/ICAR Unit (Unit-9) M & AP/848/2019 circulated dated 25.01.2019

In context to above cited subject and referred circular, this is to inform that the pre-AGRESO for Crop Improvement sub-committee is scheduled on 27.02.2019 at 10.00 a.m. at Medicinal and Aromatic Plants Research Station, AAU, Anand. All the Heads and Research Scientist/ Associate Research Scientist /Assistant Research Scientist who is heading the research station / member who is going to make presentation of crop improvement report in AGRESO-CISC are invited to attend above meeting. You are requested to bring presentation of varieties to be released, recommendations and new technical programmes and on-going experiments for which input from the house is required during the AGRESO-CISC. In addition, a brief presentation of two to three slides for various trials being conducted at your research station/ department highlighting the entries giving good response should be included in the presentation. The matters related to germplasm along with DUS characters must be given due importance in the presentation. If any clarification is to be made in above context you are requested to make a call. Meeting soon

Thanking you

(H. L. Dhaduk)
Convener (CISC)
