**CIRCULAR**

It is essential that all P. G. Students should be aware of scientific recommendation/ information of concerned subjects generated by our scientists through research work. Therefore, all the Deans and P. G. teachers are hereby informed that they should involve the P. G. students in research work or give special problems which are based on research recommendations / information of Anand Agricultural University.

Please see that this is implemented from academic year 2015-16 positively.
