II . Other minor works at Research Station/Farm each costing not more than Rs.5,000/-

Works of the above categories should only be carried out from the allotment of the grant of classified work. Further the estimated of such works should not exceed Rs. 4,00,000/- These farm works may be sanctioned irrespective of the fact whether they are of original nature or repair nature. These works will be proposed by the Director of Research and will be sanctioned by the Vice Chancellor. On the basis of which the same will be executed by the Unit Heads as per procedure and power given in statue S-121(Delegation of Powers).

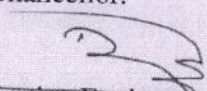

Works of such minor nature should be completed in the same financial year as far as possible, however funds for the spill over works of previous year should first be allotted and the sanction for new works should be given from the remaining grant. The grant for these classified works should be placed directly at the disposal of Director of Research by the Comptroller. Budgeting of these grants will be done at the University level and Director of Research will approach directly to the Comptroller for placing the lumpsum grants at their disposal.

This circular is being issued with the concurrence of Vice Chancellor.
