

Expert Lecture Organized by
Industry Institute Interaction Cell -IIIC & AEAAG
CAET, AAU, Godhra

The Industry Institute Interaction Cell recently orchestrated a captivating expert lecture titled "Exploring Food Technology and the Food Industry." The session was conducted by Mr. Vipul Joshi, Assistant Manager of Product Development specializing in cakes and biscuits at ITC Ltd. This enlightening event was made possible through a collaboration with the Agricultural Engineering Alumni Association in Godhra. The lecture drew the enthusiastic participation of undergraduate students from CAET, who eagerly seized the opportunity to enhance their knowledge in this vital area of study.

The event commenced promptly at 10:00 AM, with an affable welcome extended by Er. Chirag Jadav, an Assistant Professor of Mechanical Engineering within the BEAS Department at CAET, AAU, Godhra. In his welcoming address, Er. Jadav graciously greeted our distinguished expert, as well as department heads, esteemed faculty members, dedicated staff, and the eager assembly of students in attendance. Subsequently, Er. Jadav seamlessly transitioned the proceedings to our esteemed expert, Mr. Vipul Joshi. Mr. Joshi delivered an insightful lecture, focusing on the career prospects available to students within the food industry. He provided an in-depth exploration of government schemes, regulatory bodies, and agencies relevant to the food industry and food business sector. Additionally, Mr. Joshi highlighted the burgeoning landscape of food industry startups, offering valuable insights into this dynamic and evolving sector.

The meticulous arrangements for the seamless delivery of lecture were impeccably coordinated by Er. Chirag Jadav, the Chairman of the Industry Institute Interaction Cell, and an esteemed Assistant Professor. Additionally, Dr. Hardik Sharma played a pivotal role in ensuring the provision of top-notch presentation facilities, underscoring his dedication to the event's success. Dr. Brijesh Amin, the Head of BEAS Support, contributed invaluable support and expertise, ensuring the flawless execution of the event. Dr. R. Subbaiah, the Principal and Dean of CAET, AAU, Godhra, exhibited visionary leadership, and his unwavering commitment was instrumental in driving the event's triumph.
