

AWARDS

The ISAPM shall confer the following awards through the national seminar.

Dr. Maheswar Mishra Award for research of practical significance to farmers and entrepreneurs.

Dr. N.S.R. Sastry Young Scientist Award for best oral presentation of research paper.

Dr. V.S. Upadhyay Award for best research paper on integrated crop-livestock farming system.

Dr. M.S. Patel Award for best paper on participatory research in livestock production management.

Dr. N.S.R. Sastry Eight Sisters NE Best LPM Research Award for the best research paper presented in the national seminar.

Smt. Kadambini Devi Award for best oral presentation on domestic animal behavioural science.

Dr. D. K. Bidarkar Award for best oral presentation.

REGISTRATION FEE

Member's description	On or before 10th December 2013	After 10th December 2013
Member	₹ 3500.00	₹ 4000.00
Retired member	₹ 2000.00	₹ 2500.00
Non-member	₹ 4000.00	₹ 4500.00
Foreign delegates	USD 200.00	USD 250.00
SAARC Countries	₹ 5000.00	₹ 6000.00
Students / Research scholars	₹ 1500.00	₹ 2000.00
Accompanying person	₹ 2000.00 (Extra)	

MODE OF PAYMENT

Registration fee (non-refundable) may be sent by Demand Draft drawn in favour of Organizing Secretary, ISAPM-2014 payable at Central Bank of India, Institute of Agriculture Campus Branch, Anand.

Final Announcement NATIONAL SEMINAR

ON
"NEW DIMENSIONAL APPROACHES FOR LIVESTOCK PRODUCTIVITY
AND PROFITABILITY ENHANCEMENT UNDER ERA OF CLIMATE CHANGE"

&
XXI Annual Convention of Indian Society of
Animal Production and Management

January 28-30, 2014

Organized by

Indian Society of Animal Production and Management

in collaboration with

Department of Livestock Production & Management
College of Veterinary Science & Animal Husbandry
Anand Agricultural University, Anand- 388001, Gujarat, India

Invitation

Dear colleagues,

Livestock and dairying play a vital role in providing large self employment opportunities to millions of rural households primarily small and marginal farmers and landless labourers in the country. Livestock provides subsidiary occupation to large section of the society particularly to the people living in the drought prone, hilly, tribal and other remote areas where crop production on its own may not be capable of engaging them fully. With the changing lifestyle and increasing awareness about the balanced diet, demand of animal origin food is steadily increasing. In India, the demand of milk in 2020 is projected to 191.3 million tonnes. But the growth rate in dairy sector including other livestock products is not enough to meet the future demand. Besides very low productivity, scarcity of feeds and fodders, improper health and reproductive management, poor infrastructure and lack of appropriate technologies, climate change is becoming the major barrier in achieving required growth rate of livestock sector to fulfill the future demand. The present national seminar "*New dimensional approaches for livestock productivity and profitability enhancement under era of climate change*" from January 28-30, 2014 will provide suitable platform to our scientists, teachers, personnel from development departments, NGOs, progressive farmers and farmer's representatives to deliberate on recent developments in the area of livestock production and management across the globe.

VENUE

Anand is the administrative center of Anand district in the state of Gujarat. Anand is popularly known as "Milk Capital of India" and it hosts many important institutes such as Anand Milk Union Limited (AMUL), National Dairy Development Board, Institute of Rural Management, Anand Agricultural University, Sardar Patel University etc. The Veterinary College was established in the year 1964 and conducting Under Graduate (B.V.Sc. & A.H.) and Post Graduate (M.V.Sc. & Ph.D.) programs in almost all the subjects of veterinary and animal sciences with quality research. The alumni of this college have proved as successful professionals/academicians as well as research workers in diverse field not only in India but also in USA, UK, Canada,

Australia, Newzeland, Pakistan, Korea etc. The college also conducts refresher courses/short term courses, technical sessions and extension activities at various stages from time to time in addition to seminars on current topics.

WEATHER

The weather during the month of January will be pleasant with day temperature of about 28°C and night temperature of 12°C. Light woolen clothes may be required at early morning and evening time.

TRANSPORT & ACCOMMODATION

Anand city is well connected to major cities of India by road and rail. It is located 60 kms south of Ahmedabad and 35 kms of north of Vadodara at the main Ahmedabad-Mumbai western railway line. It is also well connected by road from Vadodara and Ahmedabad airport. The venue of college is about 4 kms from main bus stand and railway station of Anand. The Veterinary College is located near Jagnath temple and NDDB Head Quarter. Arrangement will be made to pick up the delegates from Anand railway station, bus stand and airports if informed in advance.

Accommodation will be arranged for delegates at the guest houses of university, other institutes and standard hotels at Anand on payment basis.

TECHNICAL SESSION

The seminar will be conducted in different technical sessions and one plenary and concluding session with the following themes.

Themes:

1. Integration of livestock production systems for employment, income generation and stability.
2. Value addition, processing and marketing of livestock produce, byproduce and waste management.
3. Enhancement of livestock productivity and profitability through commercialization under climate change.
4. Nutritional, Health, Reproductive and Behavioural management of livestock.
5. Fodder banks management.
6. Livestock and labour welfare.
7. Gender contribution in livestock management.

ABSTRACT SUBMISSION

We welcome submission of abstract of the research works related to the thematic area. These abstracts should describe new, currently unpublished research. All the abstracts will be peer reviewed and authors will be advised accordingly. The abstracts will be published in the conference proceeding as a supplement. Only one abstract is allowed for each presenting author. There is no limit on the number of abstracts to be submitted as co-author (non-presenting author). The presenting author must register for the seminar latest by 10th December 2013; otherwise the abstract will be removed from the proceedings. All the abstracts should be submitted strictly by email (isapm2014@gmail.com). The last date for submission of abstract will be 10th december, 2013.

The authors should adopt the following criteria for writing their abstracts.

- ★ **Font:** Times New Roman
- ★ **Font size:** 12 except Title (14)
- ★ **Title & Authors:** Bold & Capital letter
- ★ **Address and email:** Sentence case without bold
- ★ **Abstract proper:** Sentence case with 1.15 line spacing
- ★ **Page setup:** Portrait, A4 size with margin of 1 inch on each side
- ★ **Word limit:** Maximum 300 words including title

Note: Publication committee will reserve the right to change the format of abstract if needed.

PRESENTATIONS

Oral presentation: Due to time constraint only few selected abstracts will be allowed for oral presentation in each session. Facilities for power point presentations will be provided to the presenting author. A maximum of 10 minutes will be allotted for a presentation (8 minutes) including discussion (2 minutes). The speakers are advised to make presentation accordingly and bring the material in a USB (pen drive) or any other removable media.

Poster presentation: A poster should be informative, attractive, and self explanatory. The size of poster should be 3' (vertical) x 2' (horizontal) including borders. Only one poster per presentation will be considered.
