

*Krishi Vigyan Kendra, Anand Agricultural University, Dahod celebrates*  
*'KVK Foundation Day-2023'*

**The auspicious beginning of the year 2023 was marked by celebration of KVK Foundation Day by KVK, AAU, Dahod on January 1<sup>st</sup>.**

The programme commenced with our University song followed by the traditional 'lighting the lamp ceremony'. Further, Dr. H. L. Kacha, Senior Scientist and Head, KVK, AAU, Dahod, welcomed the participants and briefly explained the history and objectives of KVKs in our country and how KVKs are working towards the betterment of farmers. Moving ahead with the programme schedule, Dr. R. Radha Rani, Scientist (Animal Science), KVK, AAU, Dahod, gave an informative lecture with a detailed description about the various extension activities taken up by KVKs. Following suite, Dr. G. K. Bhabhor, Scientist (Ext. Edu.) wrapped up the programme by informing farmers about the usefulness of communication techniques and usage of social media in Agricultural Extension. Dr. N. D. Makwana, Scientist (Agronomy), KVK, AAU, Dahod, created awareness among the farmers about seed production technologies. A total of 68 farmers and farm women participated in the programme with great enthusiasm.
