

A camp of 07 days' duration is conducted every year in the adopted area on a specific theme. The nature of activities taken up under NSS continues to evolve in response to the needs of the community.

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community.

Special camping Activities are organised generally on various developmental issues of national importance. Every year 50 percent of the volunteers of each NSS unit are expected to participate in special camps which is of seven days duration.

OBJECTIVE OF THE CAMP

The main objective of the camp was to evolve the volunteers as a human and as an agent of social change. Its thrust was on activities and lectures that help the volunteers to work for the community, in the community and with the community. Multifarious interactive sessions, workshops, demonstrations and lectures were held in order to educate the volunteers about certain social, physical, psychological and political phenomenon. Each day began with various interactive sessions, guest lecturers as well as field work.
