

Dr. Vikas Pali honoured with Best Poster presentation award at National Conclave on Millets at Sardarkrushinagar organized by SDAU, Dantiwada

The faculty of Agricultural Research Station, Dahod clinched the Best Poster Presentation Award at the National Conclave on “**Promotion of Millets (Shree Anna) for Sustainable Agriculture and Nutritional Security Towards Global Prosperity: Key Challenges and Future Prospects**” held during 30th October to 1st November, 2023 at Sardarkrushinagar Dantiwada Agricultural University Sardarkrushinagar, Gujarat, India, in collaboration with Gujarat Society of Genetics and Plant Breeding & Deendayal Research Institute (DRI)

There were six themes for oral and poster presentations, each focusing on a different aspect of millets-based research.

1. **Dr. Vikas Pali**, Assistant Research Scientist, Anand Agricultural University, Muvaliya Farm, Dahod, was awarded the "**Best Poster Presentation Award**" for their work on "**Finger Millet Breeding Improvement: Strategies and Approaches**" under *Theme II- Conventional and Biotechnological Intervention for Millet Improvement*. The posters were developed by Dr. Vikas Pali, Dr. Harshal E. Patil, and Dr. R. G. Machhar.

Congratulations to Dr. Vikas Pali and his colleagues for bringing honor and glory to the Agricultural Research Station, Dahod and Anand Agricultural University.
