

Tree Plantation awareness programme on 15/08/2024

**“Just living is not enough; one must have sunshine, freedom, and a little flower.” –
Hans Christian Andersen.**

Nature is God’s most beautiful creation. It celebrates the growth, development, and nourishment of all its creatures. As the world advances and pollutes the environment, the only possible way to make men realize the basics and reunite them with nature is to raise awareness about the planting of trees. The benefits of planting trees are multifarious and range from having a beautiful environment to preventing global climate change.

The NSS Unit & SRC of Polytechnic in Agricultural Engineering, AAU, Dahod, celebrated “Tree Plantation” on 15/08/2024 collaboration with KVK,AAU,Dahod on the occasion of Independent Day. The 50 Nos. NSS volunteers & staff were participated and planted more than 20 trees. Dr.F.G.Sayyad , SRC Chairman and Dr.H.L.Kacha, Unit Head, KVK,AAU,Dahod motivated the students to take care of the saplings so that they grow into healthy trees.

The whole program was framed and circulated by Prof. Sachin S. Chinchorkar, Asstt.Professor & Dr.F.G.Sayyad, SRC Chairman under the guidance of Dr. B.K. Yaduvanshi, Principal,PAE,AAU,Dahod.

Event Outcome

Participants were highly energetic to make the event a big success. A spirit of teamwork, exchange of ideas and enthusiasm of the participants especially among the students could be seen.

One person adopt one tree for one year. This three Os to increase O_3
