Fundamentals of Finance for Non-financial
Individuals in the area of Agri and Allied Sectors

About Centre for Agricultural Market Intelligence, NAHEP- CAAST

Anand Agricultural University has been awarded an ICAR-World bank funded project to establish Centre for Agricultural Market Intelligence. The major objectives of this project include price forecasting and behavior, export competitiveness, evaluation of e-NAM, market institutions and capacity building of faculty, students, farmers and other stakeholders. Experts from country's premium institutes including Institute of Rural Management (IRMA), Indian Space Research Organization (ISRO), National Cooperative Dairy Federation of India (NCDFI) and Western Sydney University, Australia are associated with the project. Centre for Advanced Agricultural Science and Technology (CAAST) is a student centric subcomponent of the World Bank sponsored National Agricultural Higher Education Project (NAHEP) granted to AAU, Anand to provide a platform for strengthening educational and research activities of post graduate students as well as faculties.

About the Training Programme

The aim of the training is to equip individuals without a financial background with the necessary knowledge and skills to make informed financial decisions. Participants will learn to read and interpret financial statements, understand ratios, manage budgets, evaluate investment opportunities, forecast financial planning, identify and manage financial sources, understand tax planning and management, know about how stock and commodity markets work, get ideas about financial inclusion, Digital banking, and Insurance. Overall, the training programme is designed to provide participants with a comprehensive understanding of financial concepts and their applications.
