Swachhata Hi Seva Campaign

As a part of “Swachhata Hi Seva” campaign of Govt. of India a “Plastic free clean campus” drive was organised on 07.10.24 (Monday) by all the students and faculty members of FPTBE College, AAU, Anand. Under this drive various activities were carried out included, collection and disposal of plastic wastes, removal of weeds from the college garden area, cleaning of road side waste and debris near university gate area, etc. This drive not only helped to achieve cleanliness at the college campus, but also inculcated the importance of cleanliness in society among faculties, staff and students. All the participants took part in this event with full enthusiasm and at the end of the campaign, all were served with light healthy beverage.
