

Polytechnic in Agricultural Engineering, Anand Agricultural University, Dahod, Celebrates Hindi Diwas 2024

The Polytechnic in Agricultural Engineering, Anand Agricultural University, Dahod, marked **Hindi Diwas 2024** with great enthusiasm, celebrating the significance of the national language. The event, which is typically observed on 14th September, was held on **17th September** due to a holiday, and it was organized by the **NSS and SRC Unit of PAE, AAU, Dahod**.

The event began with a welcome speech by **Dr. B.K. Yaduvanshi**, Principal and **NSS Programme Officer**, who underscored the importance of Hindi in unifying the country and its role in fostering national pride. He highlighted Hindi's growing importance in global communication and emphasized the need for its continued promotion in educational institutions.

The program featured a range of activities, including **essay writing, poetry recitation, and elocution competitions**, all in Hindi. These activities saw enthusiastic participation from students, who showcased their proficiency in the language while emphasizing its cultural and literary value.

In his address, **Dr. F.G. Sayyad**, SRC Chairman, encouraged students to embrace Hindi not only as an academic language but also as a tool for daily communication, emphasizing its importance in preserving India's cultural heritage.

The event concluded with a **prize distribution ceremony**, where certificates of appreciation were awarded to the winners of the competitions. The efforts of Prof. S.S. Chinchorkar, Er.M.S.Khardiwar, Er. J.B. Bhimani, and Mr. B.P. Solanki in organizing the event contributed to its success.

The celebration of **Hindi Diwas 2024** served as a reminder of the role of Hindi in promoting unity and identity across the nation, as well as its value in both personal and professional life.
