Anand Agricultural University, Godhra-389001**

---

One day training programme on “Food Nutrition, Quality and Safety” was organized by Processing and Food Engineering Department in Collaboration with National Service Scheme (NSS) unit of CAET, Godhra on 07/09/2019 at College of Agricultural Engineering and Technology, AAU, Godhra under Rashtriya Poshan Maah Abhiyaan (1-30 September, 2019).

First year and second year students of B. Tech. (Agril. Engg.) actively participated in this training programme. On this occasion, the Principal & Dean, Dr. R. Subbaiah, Dr. Navneet Kumar (HOD, PFE Department), Er. K. R. Jethva (NSS Programme Officer), Dr. Neeraj Seth, (Assistant Professor, PFE Department), Er. Y. C. Yoganandi (SRA, PFE Department) and all HOD’s of different department remained present in the inaugural session.

The training was started with lightening of lamp by dignitaries on the dais and Head of the departments followed by floral welcome of guest. Welcome speech was given by Dr. Navneet Kumar followed by outline of programme was briefed by Er. K. R. Jethva. After that Dr. Subbaiah, Dean of CAET Godhra delivered a lecture on ‘Nutrition and Dietary Habits’. The following lectures on ‘Eating disorder and importance of balanced diet’, ‘Functional foods’, ‘Food safety standards’, Food adulteration’ and ‘Fast foods and packed foods’ were delivered by Dr. S. K. Singh, Dr. Navneet Kumar, Dr. N. Seth, Er. K. R. Jethva and Er. Y. C. Yoganandi respectively. The whole training

programme was coordinated by Er. K. R. Jethva (NSS Programme Officer). The function ended with vote of thanks by Dr. N. Seth (Assistant Professor, PFE Department).

An awareness rally was also organized in afternoon by first year and second year students of CAET, Godhra.
