Physical Facilities in the Department of Physical Education:

The physical education, sports and games play an important role in the development of students' personality and health. Physical Education is an integral part of the curriculum of B.Sc. (Agri.) degree programme. Department offers two courses in the first and second semesters of B.Sc. (Agri.) degree programme. To inculcate the feeling of healthy competition and overall personality among the students, various sports and other related activities are regularly organized. For the sports activities, certain facilities for the indoor games like badminton court and table tennis court have been created. Department has also developed a proper ground with modern facilities for outdoor games like football, volleyball, basketball, kho-kho, kabaddi, cricket. The athletics track is also maintained along with other facilities. Modern exercise equipment center is also available to encourage the students to maintain their health and body. The department also undertakes activities like Yoga and Karate to balance between body and mind.

Every year various inter-semester sports competitions are also organized to select college team for various indoor and outdoor games. Our college regularly participates in the inter-collegiate and inter-university competitions of the various games. Department also conducts coaching camp for various games to train students for inter-state agricultural university and all India inter-agricultural university sports meet.
