## “Plastic Free Campus”

The NSS Cell of College of Horticulture, AAU, Anand, held a program on 5th October 2024 as part of the 'Swachhta Hi Seva' campaign, focusing on promoting a plastic-free campus. The event was organized under the guidance of Vice Chancellor, Dr. K. B. Kathiria, Dean Student Welfare, Dr. D. H. Patel, and Principal & Dean, Dr. N. I. Shah, and coordinated by Dr. Prity Kumari, Program Officer of the NSS Cell, with the aim of raising awareness about reducing plastic use.

A group of 45 first-year B.Sc. (Hons) Horticulture students volunteered for the program. The event started at the college and proceeded to University Bhawan, AAU. The students worked to clean areas from the college premises, including the guest house, hostel, and Amul parlour. Faculty member, Dr. P. A. Mehariya, Assistant Professor, supervised the event to ensure its smooth execution. This initiative encouraged students to understand the importance of environmental responsibility and adopt eco-friendly habits within the campus community.
