

### PLASTIC FREE CAMPUS

#### अमृत महोत्सव पर युवा संकल्प श्रेष्ठ भारत के पांच प्रकल्प-- Environment, Cleanliness and Water conservation

As a part of “अमृत महोत्सव पर युवा संकल्प ”श्रेष्ठ भारत के पांच प्रकल्प-through Environment, Cleanliness and Water Conservation Committee in association with Dept. of Renewable Energy Engineering, with an objective to bring awareness about the threats through use of plastic to the environment, and to encourage the use of bio-degradable alternatives to the plastic, organized cleaning of the campus – plastic free campus event on 31<sup>st</sup> December 2021.

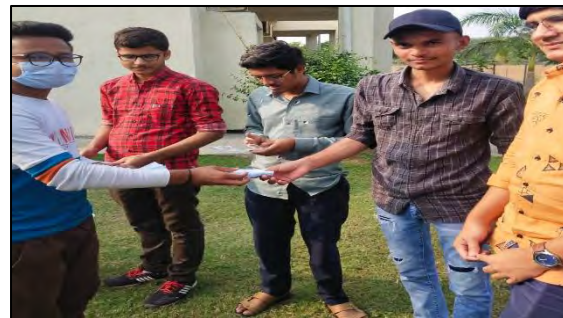

Firstly, an activity of cleaning plastic in and around the campus has been taken up. All 21 students (17 Boys and 4 Girls) of B.Tech first year students registered for this event and actively took part. After the collection, students were given an opportunity to share their experience. As they collected plastic from different corners, drains and pipelines, they understood how this plastic is clogging the drains, how they can be a source of pollution. After this, they took an oath that, to the extent possible they avoid use of plastic ensuring the cleanliness in the campus.

Agricultural Engineering Alumni Association Godhra (AEAAG), distributed masks to the students for this event to ensure safety. Dr.D.K.Vyas, President, AEAAG, joined hands with students in making campus plastic free. He also, addressed students, in line with the objectives of the session.

Dr.R.Subbaiah, Principal and Dean, too joined the event and encouraged the students.

Entire event was coordinated by Er.J.Sravankumar & Er.Arvind Kunapara Convener and Co-convener respectively of Environment, Cleanliness and Water conservation committee.
