

## **B.A. College of Agriculture Anand Agricultural University, Anand**

### **Quiz Competition Held at BACA under G20 Activities**

As a part of G-20 Activities a quiz competition on a theme “Environment, Climate, and Sustainability” was organized on 17<sup>th</sup> of June, 2023 by Department of Agricultural Meteorology, BACA, AAU, Anand at Examination Hall, AAU, Anand.

The aim of the event was to aware students about the pressing environmental issues of the world today and the importance of sustainable practices. The event consisted of a multiple-choice question (MCQ) session which was designed to test the students' knowledge on a range of topics related to the environment, climate change and sustainability. The areas such as renewable energy, conservation of natural resources, green house gas emissions, sustainable agriculture and biodiversity conservation were considered. This allowed participants to show case their ability to think quickly and make informed decisions. The students of B A College of Agriculture actively participated in the event, showcasing their dedication to environmental issues. They demonstrated their comprehension of key concepts and their ability to apply them to real-world scenarios. The engagement level was commendable with students displaying enthusiasm and eagerness to learn and contribute to the discussion on environment, climate and sustainability.

This event was organized under the guidance of Dr. Y.M. Shukla, Principal and Dean, BACA, Dr. G. N. Motka, Nodal Officer of G-20 Activities of BACA and Dr. M.M. Lunagaria, Asso. Professor and Head, Department of Agricultural Meteorology. This quiz competition was conducted by Dr. V.B. Vaidya, Assistant Professor of Agrometeorology and committee member of G-20 activity of BACA. Dr. S.B. Yadav and Mrs. Suvarna Dhabale, R.A. assisted in organizing this event.
