SDPMH organized programme on Organ Donation and Kidney Health

NSS Unit of Sheth D.M. Polytechnic in Horticulture, Anand Agricultural University, Model Farm, Vadodara – 390 003 organized the awareness programme on **“Organ Donation and Kidney Health”** on 15.02.2025 (Saturday) in collaboration with India Renal foundation, Vadodara. At outset NSS officer Dr. Shrikant B. Katole, welcome Mr. Ishanbhai Trivedi from India Renal Foundation and all the NSS volunteers, students and staff of the college. Dr. Shrikant B. Katole discussed about organ donation. He inform students that organs can be transplanted include the heart, lungs, liver, kidneys, intestine, pancreas, bone marrow etc. He also advised the students to drink plenty of water and keep away from packaged food having higher amount of salt to have healthy kidneys.

Mr. Ishan Trivedi from India Renal Foundation discussed in detail regarding kidneys and its diseases and how to keep our kidneys healthy. He suggested to drink at least 10-12 glasses of water every day, reduce the salt intake, control diabetes, control hypertension etc. He also discussed regarding process of organ donation.

Glimpses of the programme
