

A SEMINAR ON OVERSEAS EDUCATION AND CAREER OPPORTUNITIES

An informative session on "**Overseas Education and Career Opportunities**" was organized by **Training and Placement cell, College of Agricultural Engineering and Technology (CAET), Godhra** on **5th April 2025**. The session aimed to guide students about higher education prospects in foreign universities, focusing on agricultural sciences and related fields. The event commenced at 9:00 AM and continued for three and half hours, with active participation from around 40 students across 2nd, 3rd, and 4th year.

In the session, **Dr. R. Subbaiah** (Principal & Dean, CAET, AAU, Godhra), **Dr.D.K.Vyas** (Training & Placement Advisor, Professor & HOD Dept. of REE), **Dr.J.SravanKumar** (Training & Placement In-Charge, Assistant Professor Dept. of REE), **Mr.Nirav Patel**,(CEO, SK Academy), **Mr. Kamlesh Lalvani**(Head, SK Academy, Godhra), **Mr. Shekhar & Mr. Pragnesh** (Representatives) were present.

The session began with a welcome speech by **Dr. J. Sravan Kumar**, who introduced the theme and importance of overseas education. The **Principal and Dean Dr. R. Subbaiah** emphasized the growing opportunities in global agriculture education and motivated students to explore international programs. **Mr. Nirav Patel** provided an overview of the session and discussed key topics, including eligibility, entrance exams, and career prospects. **Mr. Kamlesh Lalvani** spoke about the future scope of agricultural studies abroad and encouraged students to aim for global exposure.

Mr. Nirav Patel delivered a detailed presentation on **postgraduate agricultural programs** in top universities across Germany, Australia, Italy, New Zealand, the UK, and the USA. He emphasized Germany's tuition-free education policy in public universities, making it a preferred destination for students. **Mr. Patel** noted that these programs combine research, technology, and sustainability, aligning with global industry needs. He provided comprehensive guidance on key English proficiency tests required for overseas education.

Students actively engaged with queries on visa procedures, part-time work options, and job prospects after studies. Experts provided detailed clarifications and guidance. **Dr.J.Sravan Kumar** expressed gratitude to SK Academy, speakers, and participants for making the session successful. The session was highly engaging and insightful, equipping students with valuable knowledge on overseas education opportunities. The interactive discussions and expert guidance left a lasting impact on attendees.
