

Exposure Visit of IABMI Students at 11th Agri Asia Exhibition, Gandhinagar

On 9th September, 2022 students of International Agri-Business Management Institute, AAU, Anand visited 11th Agri Asia Exhibition, at Gandhinagar. In the exhibition more than two hundred agriculture and allied sectors companies were participated. Students visited in the different stalls and got information about new technology in agriculture and allied sector and also linked with the companies and agri startups. This visit is very useful to the students for their subjective as well as practical knowledge aspects. During this visit students got live exposure about different Agri and allied sector companies. Interaction with some Alumni of IABMI associated with different companies during the Agri Asia Expo, truly reflected that IABMI is moving in tandem with industry needs in developing young Agribusiness managers.

The whole visit was co-ordinated by Dr. Mahesh R. Prajapati, Dr. Dilip R. Vahoniy and Dr. Chetan R. Dudhagar under the guidance of Dr. R. S. Pundir, Principal and Dean, International Agri-Business Management Institute, AAU, Anand.

Glimpses of 11th Agri Asia Exhibition, Gandhinagar Visit
