

Vibrant Gujarat: Agro and Food Processing Seminar

Dr. R. V. Vyas, Res. Scientist (Micro) delivered an invited talk on ‘*Use of Biofertilizer for increased output and income*’ in Technical Session II : Doubling Income through New Technologies, in Vibrant Gujarat : Agro and Food Processing Seminar on Growth Opportunities through Sustainable Agriculture and Food Processing”, organized on September 2, 2016 as “Pre Vibrant Summit - 2017” at Mahatma Mandir, Gandhinagar. Several farmers and delegates attended the seminar to get introduction on innovative & novel technologies like AAU’s *Anubhav* Liquid Biofertilizers to save cost of cultivation, more yield and better soil health, the talk was appreciated as to justify the recent motive of Govt. of India and declaration of Prime Minister to double the income of farmers in coming years.

The session was chaired by Dr. K. N. Shelat, IAS (Rtd.) and Co-chairman, Dr. A. R. Pathak, Vice Chancellor, JAU, Junagadh in esteemed presence of Dr. N C Patel, Vice Chancellor, AAU, Anand and Dr. C. J. Dangaria, Vice Chancellor, NAU.
