Tree Plantation awareness programme at USavan Mukhya Prathamik Shala,Dahod on 17/02/2024

“Just living is not enough; one must have sunshine, freedom, and a little flower.” – Hans Christian Andersen.

Nature is God’s most beautiful creation. It celebrates the growth, development, and nourishment of all its creatures. As the world advances and pollutes the environment, the only possible way to make men realize the basics and reunite them with nature is to raise awareness about the planting of trees. The benefits of planting trees are multifarious and range from having a beautiful environment to preventing global climate change.

The NSS Unit of Polytechnic in Agricultural Engineering, AAU, Dahod, celebrated “Tree Plantation” on 17th feb., 2024 by joining hands with NSS volunteers under special camp form 13th -19th Feb., 2024. The 33 Nos. NSS volunteers were participated. The students and staff of PAE participated in this plantation programme. Students planted ornamental plants and trees Mango & Drum Stick and decorative flowers in the premises of Usarvan Mukhya Prathamik Shala,Dahod.

The whole program was framed and circulated by Dr. Zeal Acharya and Prof. Sachin S. Chinchorkar, Asstt.Professor under the guidance of Dr. B.K. Yaduvanshi, Principal,PAE,AAU,Dahod.
